**Date: Thursday, 28 January 2021**

**Time: 10.00 to 11.00am**

**Format: Zoom**

As we start the New Year, it is vital that employees are engaged in business strategy and feel informed and inspired to deliver it effectively. This presents a great opportunity for HR professionals to act as enablers, helping to provide clarity on what strategy means to teams and individuals, the role they will play in delivering it, and reinforcing the right behaviours to make it happen.

Our guest speaker Alex Walker will share 'real life' examples of ways in which businesses have achieved this as well as practical advice on how to create effective engagement, buy-in and results.

Alex will explain how to:

- **Create a clear roadmap**
- **Produce a compelling strategic narrative**
- **Empower teams to create, own and deliver their plan**
- **Ensure everyone understands the part they play**
- **Measure performance and manage against it**
- **Celebrate success**
