## Terms and Conditions

---

- There is no limit to the number of friends you can recommend under this scheme.
- To be eligible for this scheme, the recommended party must register with the company quoting 'recommend-a-friend' and naming the person responsible for recommending them.
- Recommendations are not eligible if the recommended party is already registered, or is undergoing the registration process, with the company at the time of recommendation.
- An individual can only be recommended once, and in the event that the same individual should be recommended more than once only the first recommendation will be eligible for entry into this scheme.
- The recommended party will be entered into the Champagne Draw only when they have registered with one of the company's consultant's.
- The recommended party must complete three months of permanent employment before the recommender is sent the £250 voucher.
- The scheme is operational from 1 April 2014. Any registrations made outside of this period will not be eligible for entry into the prize draw, nor for the £250 payment offered under this scheme.
- The scheme may be terminated without notice at the company's discretion. In the event of termination, £250 bonuses will still be paid in respect of recommended parties registered with the company under the scheme, as and when those parties have served three months in permanent positions in which they are placed by the company.
